Abstracts

The abstracts of all presentations presented on ISSRNS 2010 will be published in a regular volume of PTPS bulletin *Synchrotron Radiation in Natural Science* (www.synchrotron.org.pl/public/biulet/biulet.html), The regular abstracts should take one page. In case of an extended abstract, two or three pages should be used.

The details of preparing the abstracts can be found in the template file: [ABSTRACT_TEMPLATE-ISSRNS2010.doc](#)

Abstract submission deadline: April 25, 2010 May 7, 2010

The abstract should be sent directly to 10issrns@amu.edu.pl

Conference Proceedings

Invited and contributed papers presented at the ISSRNS will be published in a special volume of the of the *Radiation Physics and Chemistry* (Elsevier). Papers submitted to the Proceedings will be peer-reviewed.

Guideline for the proceedings preparation:
