

# XVI International School and Symposium on Synchrotron Radiation in Natural Science ISSRNS 2025

Poland, 25-30 May 2025

## MAIN TOPICS:

- Material science, nanotechnology and magnetism
  - XFEL application to natural science
  - Life science, structural biology and chemistry
- X-ray Research for Ecologically Sustainable Society
- Unlocking new X-ray Science: ESRF after EBS Upgrade
  - Research at SOLARIS

<https://issrns.pl/>

The XVI ISSRNS conference is supported by the Polish Ministry of Science and Higher Education within a grant no. 2021/WK/11 which provides Polish scientists with access to the European Synchrotron Radiation Facility.
